

SkillCheck The Critical Difference in Your Hiring Decisions

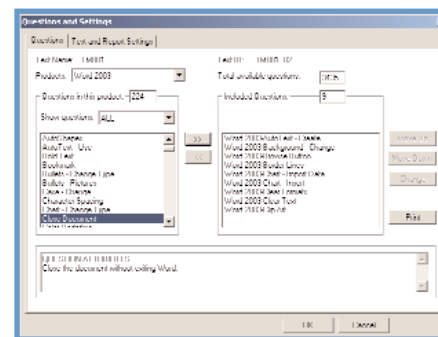

When one of our professionals shows up to work, you can be sure they have the right skills for the job. That's because we use SkillCheck Assessments from First Advantage - the testing solutions trusted by the world's largest staffing firms - to ensure that the people we send you meet your exact needs.

- > With SkillCheck state-of-the-art software simulations, test takers perform tasks as though they were using the actual software program. This is the best way to ensure they know the exact versions of the software you use every day.
- > We use SkillCheck to test ALL relevant job skills, from typing and data entry, to Microsoft Office software skills, to knowledge of specific industries such as call center, accounting and nursing.
- > Do you have specific skills and knowledge you would like us to test for every job candidate we send you? Our SkillCheck system allows us to customize a test to meet your exact job descriptions and requirements.
- > SkillCheck's advanced reporting capabilities provide a detailed report of each candidate's knowledge and skills, so you can easily assess their ability to meet your needs.

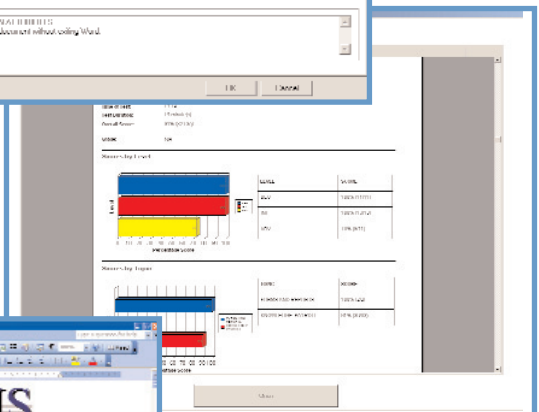

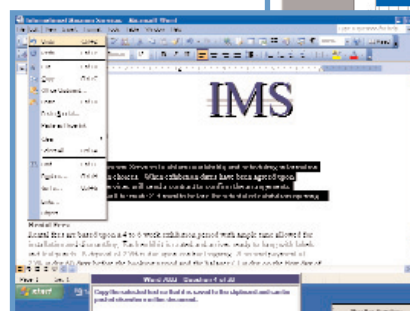

THE SKILLCHECK ASSESSMENT PORTFOLIO

The SkillCheck Assessment Portfolio includes tests on the widest range of competencies in Microsoft Office, clerical, medical, legal, call center, accounting, behavioral, computer literacy, IT, food services, retail sales and light industrial areas.

SkillCheck enables us to customize tests that meet your exact job descriptions and requirements.

State-of-the-art SkillCheck software skills tests let examinees perform tasks as though they were in the actual software.

Detailed reports of scores, including analysis of a job candidate's knowledge, skills and abilities are available for you to review.
